ANTI-DISCRIMINATION COMMITTEE
GENDER SENSITIZATION / EQUALITY COMMITTEE (GSC/GEC)
Academic Year 2026-27

In order to promote gender equality, as guaranteed by Article 15 of the Indian Constitution, there is a need to alter the mode of interaction at all levels—home, school, college, university, workplace, and beyond. The Government of India, with the aim of broadening its reach to create an environment conducive to equal treatment, envisions the appointment of gender champions in all educational institutions across the country. Gender champions can be individuals of any gender, including boys, girls, and transgender persons above the age of 16, who are enrolled in educational institutions. Gender champions are envisioned as responsible leaders who will facilitate an enabling environment within their schools/colleges/academic institutions where girls are treated with dignity and respect.
